NDIS community information session

Your NDIS Journey

The National Disability Insurance Agency is holding an information session for people with disability, family members and carers to educate and support a person through their National Disability Insurance Scheme (NDIS) journey. The session will assist potential and existing participants to understand and access the NDIS, and to use their plans to become informed and empowered NDIS users.

The session format will offer three one-hour modules as follows:

- The first hour is an informal drop-in session to have one-on-one conversations with representatives of NDIA and/or the Local Area Coordinator, including our ECEI partner.
- The second hour is a formal presentation to learn about the NDIS covering the topics listed below.
- The final hour is an opportunity to ask your questions.

The session will cover:

- Accessing the NDIS and eligibility requirements
- Preparing for your planning meeting or scheduled review meeting
- Understanding your NDIS plan
- Using your NDIS Plan
- Accessing and using the MyPlace Participant Portal.
