

Maiden Gully Early Years Hub Table of Quality

- Above ratio highly qualified and experienced staff who genuinely care about your child and the presentation of the learning environment.
- Caring, passionate and professional staff who look forward to really getting to know you and your child.
- Quality Bush Kinder, nature play and edible garden programs.
- Nutritious and delicious healthy meals and snacks prepared on site – with a generous daily budget allocation per child.
- Beautiful, calm and quiet sleeping environments.
- Quiet residential location only 10 minutes from the centre of Bendigo.
- Quality Individual Education Plans for all children developed in collaboration with each family and reviewed every term.
- We offer welcoming, culturally sensitive, safe and inclusive indoor and outdoor environments. This includes a First Nations indigenous garden.
- On-site integrated support via allied health and maternal child health staff assisting your child to reach their full potential. First of its kind in regional Victoria!
- Observation rooms for parents, so at any time, families can view their child's learning in action.
- Teaching and research based facility reflecting latest studies in early years via strong partnerships with La Trobe University and Bendigo TAFE.
- We are a not for profit local community based organisation and early years education leader in regional Victoria.
- New \$7 million facility with unique state of the art building and outdoor learning environments specifically designed for the 0-6 year's age group.

We welcome your family and look forward to showing you through our wonderful facility.
