## NAIDOC Week 2020

### Virtual Colouring Competition

Unfortunately this year we are unable to gather and celebrate NAIDOC week together in person, but that does not mean we are unable to celebrate and still have some fun.

This year Bendigo Health have decided to create a virtual colouring competition. This competition will allow the kids of our community to show off their artistic talents and imagination.

#### How it works:

- Colour the page with crayons, textas, pens, pencils, paints or digitally (you must colour without assistance)
- Have your parent or carer scan/take a photo of your completed colouring and submit to the email below (please ensure to get your parents' permission before submitting)
  - In the email please include your parent's phone number and your name and age.
  - Please email your completed colouring to [acharles@bendigohealth.org.au](mailto:acharles@bendigohealth.org.au)
- By entering your colouring in this competition, allows Bendigo Health to display your colouring on Bendigo Health's social media platforms

#### Age groups of entry and prizes:

- 4-7
- 8-10
- 11-13

**All kids are welcome to participate.**

Closing date Friday the 13 November 2020
