## Pieces with a difference, making a difference.

*'Employment for people living  
with disability or disadvantage'*

### Planter boxes for the community

EPIC is an employment preparation program where young people with disabilities are taught the skills and experience required to find and keep a job. EPIC is run by Access Australia Group (AAG) and is a program within the Employment Services division. AAG is a local not-for-profit organization dedicated to helping people with disability or disadvantage.

We offer a service that provides planter boxes off the ground at a comfortable height with soil, stones and plants or seedlings. We come to you and set up the boxes and plants. These are a great option for individuals with a small yard, renters, the elderly, or anyone who wants a low maintenance garden.

Length: 1m
