

SPEAKING SPOT BENDIGO – TELEHEALTH

Free online Speech Pathology clinic for children under school age

Speaking Spot Bendigo is a free telehealth clinic providing an opportunity to speak with a Speech Pathologist and Maternal & Child Health Nurse about your child's speech and language. The service is available for children aged birth to school entry.

Come along to a session if you:

- Want some ideas to help support your child's speech and language
- Are not sure if your child's speech and language is age appropriate
- Need a Speech Pathology referral
- Have any general concerns about your child's development

The telehealth clinic opens at 9am on the Speaking Spot dates (see below). You will be able to wait online until a Speech Pathologist and Maternal & Child Health Nurse are available.

Each session will include a brief discussion about your child's development, along with some suggestions to assist your child's communication. A referral to Speech Pathology can be made on the day if this is required.

October 18 th Wednesday	Telehealth https://videocall.direct/speakingspotbendigo	9.00am- 12.00pm
November 15 th Wednesday	Telehealth https://videocall.direct/speakingspotbendigo	9.00am- 12.00pm

Instructions for Telehealth:

(NOTE: Please use a laptop or computer, Telehealth does not work well on a phone)

- Open a Google Chrome or Microsoft Edge internet window
- Put the above link in the search bar
- Log on with your child's name
- You will then appear in the virtual waiting room
